Project Title: Coca-Cola Formula

I want my Coca-Cola formula website to be a multi-page website with a navigation bar. I would break it down into six sections, with images throughout the website:

- **Home Page/Introduction** - This page would contain an introduction to Coke as a drink, and explain the secrecy of the Coca-Cola formula.
- **History** - The history of Coca-Cola
- **Current Ingredients** - Current ingredients
- **Formula Variations in the US** - Go through the Passover, New Coke, and Mexican Coke variations
- **Alleged Secret Recipes** - List out the Pemberton, Merory, and Beal recipes. Emphasize these are alleged and that the company maintains that the actual formula remains a secret.
- **Sources** - The Coca-Cola Wikipedia page, the Coca-Cola formula wikipedia page, and any images from the web are cited here
